CITIZEN COMMENTS:

Rich and Karyl Wyatt asked Council if we could change the maximum stay at the Rv Park to 7 nights. Council will take this request under advisement.

They also requested signs for the Rv Park. 1 – One way entrance; 2 – Do Not Enter and a sign on the Highway. Dustin suggested painting arrows on the pavement in the park, showing the correct way to go.

They would like 3” of dirt removed from their host spot and gravel put in there and asked permission to run an extension cord to space 5, on Sundays only, to run their dryer. Steve ok'd this.

Karyl asked permission to create a Facebook page for the Genesee RV Park. This was ok'd by Council, but warned to keep it positive.

Jim Stravens- Told Council that the State Parks and Rec. have money for a Phase II to the Rv Park. This will include a fence around the park, sprinklers and seeding. Dustin will get a plan showing the location of the fence and sprinklers. \$30,000-\$40,000 is available and there will be match funds needed. He commented that the requested RV Park sign on the Highway could also be included in this Phase II Grant.

LHTAC Grant- Aug 2016 will start the process of the RFP design professionals.

Ryan and Brandy Ramos –Left a write up on their request for use of the City alley behind their house.
