

CITY OF GENESEE NEWSLETTER

MAY 2021

**METERS HAVE BEEN UNPACKED, THIS INVOICE REPRESENTS YOUR TRUE READ
COMMUNITY DAY HAS BEEN CANCELED THIS YEAR**

The City would like to remind residents to keep their grass mowed and weeds sprayed, or maintained! Please keep the City right of way clear. Do not park vehicles or RVs on the right of way and remove your garbage tote when emptied. Thanks!

Speed limit going out of town on Chestnut Street has changed to 25. PLEASE slow down coming in and out of town!

PLEASE DO NOT PUT PLASTIC BAGS AT THE COMPOST BINS! The bins are emptied Monday, Wednesday and Friday. If they are full, please check back. Thank you!

We are ONLY using one Well to supply EVERYONE with water

PLEASE PLAN TO CONSERVE AGAIN THIS SPRING/SUMMER. We want to keep our pump hours at 18 or less! With the weather soon to warm up, you will want to water your lawns, gardens, etc. PLEASE WATER ONLY WHEN NECESSARY! ABSOLUTELY NO WATERING between the hours of 8:00AM & 8:00PM daily. Thank you ALL for your efforts!

The City is in the process of digging test Wells. If we hit water, the soonest we can bring that Well online, would be Fall or Winter.

The water tanks, located on Laurel Street, will be installed shortly for anyone to use. This water is from Well #3 and high in Nitrates...NOT drinking water!

Agricultural use only!
