## APRIL 2022

**WELL UPDATE:** Dig Well Idaho is here and have begun to drill our “first” new well. We will still need to drill a second one sometime in the near future but no plans are set at this time for when that will happen, stay tuned. They have also begun to seal off the test well that was drilled last summer and will finish that project as time allows.

As stated last month, the new well is not expected to come on line until this fall so, we will once again be using the same practices we did last summer. We will be using well #3 to supplement well #5 so we all can have green yards and gardens but those with infants, under 6 months old, will need to either purchase water or use water from the portable water station that will once again be at the Genesee Community Fire Station.

### SPRING CLEAN-UP April 9th & 23rd

Demolition waste will NO LONGER be accepted, but will be accepted all other months of the year. *ONLY* household waste will be accepted during the clean-up months April/October. Household waste includes: rubber, plastic materials, styrofoam, garden hoses, small household appliances, railroad ties, tents/tarps/canvas, fiberglass, hot tubs, insulation, upholstered furniture, box springs, mattresses and all contaminated waste. Limit of 2 loads per household. NO Hazardous Waste or Electronics allowed.

**FREE SHRED DAY! APRIL 23RD, LATAH COUNTY FAIRGROUNDS, 9-3PM, LIMIT 3 PAPER GROCERY BAGS**

**Meters have been unpacked from the winter, so this is your first true read of the year. Please keep debris away, trim trees and bushes from your meter.**

AVISTA replaced utility poles around town, with snow on the ground, so please be mindful of anything they may have left behind before you mow or do yardwork. If you do find tools or anything left behind, you can bring them to City Hall.
