

# CITY OF GENESEE NEWSLETTER

## MAY 2022

**COMMUNITY DAY IS JUNE 10th and 11th**

**NO PARKING** will be allowed on **BEECH** and **CHESTNUT STEETS**. Our LHTAC street reconstruction project will begin soon and we cannot have **ANY** vehicles parked on the right of way!

Speed limit going out of town on Chestnut Street is 25mph. **PLEASE** slow down coming in and out of town!

**WELL UPDATE:** As stated last month, the new well is not expected to come on line until this fall so, we will once again be using the same practices we did last summer. We will be using well #3 to supplement well #5 so we all can have green yards and gardens but those with infants, under 6 months old, will need to either purchase water or use water from the portable water station that will once again be at the Genesee Community Fire Station.

AVISTA replaced utility poles around town, with snow on the ground, so please be mindful of anything they may have left behind before you mow or do yardwork. If you do find tools or anything left behind, you can bring them to City Hall.

THANK YOU Cow Creek Kids, 4-H Group, for picking up trash on West Chestnut Street! Very nice of you!!

### **DID YOU KNOW?**

Reminder: RV Park facilities (water/electricity) are for campers only.

**PLEASE DO NOT FLUSH ANYTHING OTHER THAN TOILET PAPER. IF IT SAYS "FLUSHABLE" IT IS NOT FLUSHABLE**

OPEN BURNING is only allowed through May 31st. Please do not burn on a windy day and have a garden hose near by. Thank you!
