

18th ANNUAL GENESEE COMMUNITY WIDE YARD SALE
SATURDAY, AUGUST 13, 2022
8AM-2PM

The Genesee Civic Association is again sponsoring a Community Wide Yard Sale. The registration fee for this event remains at \$10. By registering your yard sale, it assures your location is shown on the map. This map is given to everyone as they enter Genesee for the sale, along with a brief description of what you are offering at your sale. The Civic Association handles all advertising, which includes ads in area newspapers; the Moneysaver, Social Media and more. The City Park will again be available for those who want to have their yard sale there, including those who live in the country and want to have a yard sale in town. You will need to provide your own table(s) at the park. In addition to yard sale, we would like to encourage those who have home businesses with goods to sell such as candles, crafts, musicians as well as clubs, classes or groups and organizations who want to raise funds are welcome to participate. All are welcome. The \$10 fee applies to the park also.

Any questions, please contact **Mary Bielenberg, 509-336-1847** or mbielenberg@genesee-id.com

Please detach this registration form and return along with your \$10 registration fee by mail to Mary Bielenberg, 1300 Danielson Road, Genesee, ID 83832 by **August 5th** or drop it off at City Hall or the Genesee office of Stonebraker McQuary. Thank you.
