PASTURE RENT

The City of Genesee is currently accepting written bids for rental of the city pasture located adjacent to the City lagoon. Rental period runs from January 1, 2023 to December 31, 2023. Bids are due December 16, 2022.

The City reserves the right to cancel this rental agreement with a 30-day written notice at any time during the term of the agreement.

Rental payments are due and payable monthly. No statements will be sent by the city. Non-payment of the monthly rental will constitute termination of the agreement.

The successful bidder will be responsible for furnishing their own water and also upkeep of the fence surrounding the pasture. Upkeep of the pasture itself during the rental period is also required including removal of all manure on a regular basis. The successful bidder is also responsible for abatement of weeds, etc.

PLEASE REMOVE YOUR GARBAGE TOTE FROM THE CITY RIGHT OF WAY WHEN EMPTIED AND...ALL vehicles; campers, trailers, boats, etc. off the city right of way. REMEMBER: It is the responsibility of the homeowner to clear snow from sidewalks and around mailboxes.

Please do not rake your leaves into the street! Ordinance 350 prohibits accumulation of yard waste; branches, leaves, weeds, etc. Compost bins are available, 24/7, across from the lagoon on Morscheck Road.

Attention Genesee Water Customers: Well #3 was taken offline October 3rd. Well #5 (low nitrate concentration Well) is the only provider of water, eliminating the need for the potable water trailer. Water meters have been insulated for the winter. This bill will be your last true read until Spring. November-March will be estimates.
