

61 Years Strong and Moving Forward!

61st Annual GENESEE COMMUNITY DAYS Friday & Saturday, June 9th & 10th, 2023

A Tradition of Excellence: History of the Genesee Schools

Success is Yours – Catherine Pulsifer

To be successful in school, Don't clown around and act like a fool, Have a learning attitude, Be full of gratitude. Ask the questions, learn all you can, Determine what you want and have a plan, These are the best days of your life, Don't fill them with foolishness and strife. Your teachers only want the best, That is why they give you the test, They want success for you, In your life and all you do. The choice is yours to make, You can learn or be a fake, When you look back you will see, That it prepared you for your degree! Try to be cheerful and kind, bringing pleasure into, the lives of those at home and at school.
